

CHS Hedging Energy Consulting

Today's energy risk managers want to improve profit margins and feel confident about the financial future, despite volatile markets. CHS Hedging offers a consulting package which includes education, advice and research at only \$1,000 per quarter. Energy commissions generated, up to \$1,000 per quarter, are applied to the next quarter's consulting fee.

The CHS Hedging Energy Consulting Program includes:

- An individualized portfolio management approach
- Direct access to our experienced energy market analysts
- Daily energy commentary and regional basis quotes, plus weekly market inventory, via email
- Quarterly market outlook webcast
- Access to exchange for physical (EFP's) and over the counter (OTC's)
- Patronage for qualifying accounts

Contact the Energy Team at 800-328-6530 or energy@chshedging.com for more information.
